

ROCK REMOVAL

Degelman

ENGINEERED TOUGH

Providing Relentless Stone Work For 60 Years

It's a bad day to be a rock. Degelman Industries has been manufacturing High Performance Rock Removal Equipment for over 60 years. We offer an entire line of rock removal products to help rid your fields of costly rocks and stones. With 5 different sizes of rock pickers to choose from, we have the right tool to fit your operation.

Designed to provide relentless heavy stone work day in and day out, and also clear your fields to make seeding and harvest time faster and more efficient.
